A JOINT MESSAGE FROM THE FOUNDATION PRESIDENT AND CHAIR

Dear Supporter of The Scarborough Hospital,

Because you play such a key role in our hospital's success, we've prepared this Report to Donors especially for you. Inside, we recognize the donors and sponsors who gave so generously in 2007, as well as introduce you to one of these special donors, Mr. Laurence Elcombe.

As a resident of Scarborough for over 52 years, Mr. Elcombe's story emphasizes the incredible importance of community in our lives. Because The Scarborough Hospital is a cornerstone of our community, your thoughtful contributions touch the lives of countless loved ones, friends and neighbours every single day.

For this reason, we carefully invest your dollars in the state-of-the-art equipment and facilities that our community needs most. Your financial support gave us the capacity to provide top-quality, compassionate care to the thousands of patients who turned to us last year –

and the impact of your giving in 2007 will continue to save and improve lives well into the future.

We are extraordinarily proud to be part of such an outstanding community of supporters. On behalf of our patients and staff, please accept our deepest thanks for your ongoing commitment and generosity.

Brian Dawe

Why I Give

"GIVING IS A GOOD HABIT THAT GETS BETTER WITH PRACTICE."

dependent on one thing – my health. The day might come when I'll need care. I want it there for me and for everyone who needs it."

Laurence's charitable giving was a habit he learned at church. "I saw that churches grew and operated based on how much the community gave. It works the same at the hospital."

Today, Laurence is retired from his full-time career with the Canada Revenue Agency and part-time work with Scarborough's Parks and Recreation department. For 40 years, one of his responsibilities included umpiring baseball. "I'm 75 years old and I'm coming towards the end of the inning," he jokes. "That's why I'm planning ahead – to make sure I choose where my money goes."

"I've had a very good life. I've always believed that to whom much is given, much more is required. Giving is a good habit that gets better with practice."

To learn more about gifts of stocks and securities, contact Brian Dawe at 416.431.8200 Ext. 6681.
