**2010 Sponsorship in support of  
The Scarborough Hospital**

Friday, April 9, 2010  
Angus Glen Community Centre and Golf Course  
Food / Fun / Games

The Scarborough World Cup of Hockey celebrates and embraces our richly diverse Scarborough community. Over 65 percent of our community is a visible minority. Last year The Scarborough Hospital provided translation services in over 48 languages. Every event hosted by The Scarborough Hospital Foundation proudly recognizes this unique diversity, making it a “world” event.

This year's hockey event has a lot to offer your company. This one-day tournament includes breakfast, lunch and dinner and silent auction. Players will also enjoy the privilege of playing alongside former NHLers.

## Play with the Professionals!

No detail is spared. Become a professional hockey player for the day. Your ticket price will include:

- Your own personalized jersey
- 3 games of hockey with NHL alumni
  - Gift bag
- Breakfast and lunch provided at the arena
- Dinner and silent auction at the Angus Glen Golf Club
- Beverages in the dressing room and on the bench
  - Supply of tape and pucks

## Becoming a Sponsor

Your support will demonstrate a critical commitment to our diverse community and its healthcare needs. Your company will be afforded “Front of Line” access to our 3,700 employees, 700 physicians and 800 volunteers. The Scarborough World Cup of Hockey provides an excellent platform to build relationships and showcase your company. You will be rewarded with strong loyalty to your company's brands.

To discuss your sponsorship for the Scarborough World Cup of Hockey, please contact Guy Bonnell, Vice President, Community Development, at: 416-438-2911 ext. 6664.
