

## CARING CIRCLE MONTHLY GIVING PROGRAM

Many people recognize the need to support healthcare in our community. The hospital has an ongoing need to replace equipment and purchase new and improved diagnostic imaging and surgical tools. By making a five-year pledge or joining the monthly giving program, we can better estimate the funds the Foundation will have to contribute to the hospital for equipment.

Our patients are grateful every day for the support of our 2008 Caring Circle Donors:

## LEGACY GIFTS

The true meaning of life is to plant trees, under whose shade you do not expect to sit. ~Nelson Henderson

Our current patients are benefiting from legacy (bequest) gifts received several years ago. Today, we honour those people whose legacy gifts were received in 2008 and will help their families, friends and the Scarborough community continue to receive excellent patient care. ## Foundation Goals 2009/10

### WE NEED YOUR HELP: BETTER EQUIPMENT = BETTER CARE

The best opportunity for the treatment of many diseases is early diagnosis. Medical professionals can treat illness faster and more accurately than ever before thanks to rapidly changing technology.

To provide the best care, we need to equip our healthcare professionals with modern treatment tools and equipment. Because medical and surgical equipment has a natural lifespan of five to ten years,

the equipment that is outdated, nearing capacity and exhausted from daily use must be replaced.

The Foundation's fundraising goal for 2009/10 is to purchase \$3.5 million of life-saving equipment for TSH clinics, operating rooms, diagnostic imaging suites and patient rooms.

Please help us ensure we are *Equipped To Care!*

### This will include:

Bronchoscopes (2): \$38,000 each  
Cardiac Monitors (2): \$21,000 each  
Dental Equipment (2): \$9,000 each  
Dialysis Chairs (10): \$31,500 each  
Dialysis Machines (2): \$30,000 each  
ECG Machine (2): \$13,000 each

Infection Control Units (10): \$15,000 each  
Maternity Epidural System (16): \$4,650 each  
Physiotherapy Equipment (various): \$36,000  
Vital Sign Monitors (2): \$7,000  
Ultrasound system: \$450,000  
Ventilators (10): \$20,000 each

For more information about helping the hospital become Equipped to Care please call the Foundation at 416.431.8130.
